ABOUT THE DANCE STUDIO

Ignite Dance Academy at River City Christian was born out of a desire to encourage children and adults to enjoy the art of dance and develop their gifts in this area. We believe that God created dance as a form of expression for us and we desire to encourage and develop the dancer in each student.

We are dedicated to maintaining high standards of technical performance in a wholesome environment while making classes fun. Whether or not a student chooses to continue to dance, we believe that the benefits can enrich their whole life.

2. In order to participate in the Christmas Show (most rehearsals are outside of class time), dancers must be actively enrolled in at least one class during the Fall Session and pay the \$30 participation fee.
3. Recital costumes will be ordered during the Spring Session. A costume invoice will be given out to parents and dancers in April and payment in full will be due the first week of May. Costumes will be \$60 each unless otherwise noted. A \$20 non-refundable deposit (per costume) must be submitted by February 1 in order for a costume to be ordered.

Payment Policies:

1. Tuition is \$40 a month*. One \$5 discount per family/individual can be applied if:
 - You are a River City Christian attendee (defined as those who attend at least two Sundays a month).
 - The same individual takes more than 4 classes per week.
 - Sibling discount (first child is \$40, subsequent children are \$35).
2. Zumba is \$5 per class or \$20 for a 10-class punch card.

IGNITE DANCE POLICIES

Registration Policies:

1. Students must be the minimum age within the first four weeks of the session and potty trained by the first date of class.
2. All Level I and younger classes must have at least three students enrolled one week before a session starts, or they will be cancelled at that time. These classes will be capped at 10-12 students and another class will be added or a waiting list will be created.
3. A trial class may be taken for free, but a liability form must be completed before participating in class.

Class Policies:

1. Parents and siblings are not permitted in the classroom during class time in order to cut down on distractions to the dancers.
2. There is no gum allowed in class.
3. Ignite Dance Academy reserves the right to change classes at any time without notice.
4. After three weeks of absenteeism, a student will automatically be dropped from the class and their spot given away, unless prior notification was given to the studio. Additionally, if prior notice was not received, the parent/dancer will still be responsible for paying tuition that month. Out of fairness for those on the waiting list, if a dancer takes a month off, tuition must be paid for that missed month in order to hold their spot in the class.
5. No videotaping or pictures are allowed unless permission has first been obtained from the instructor. If you are taking pictures or video of dancers other than your own child, permission must also be obtained from that child's parent.
6. Parents/guardians must drop off their child at the Registration Desk (parents are permitted to walk with their child(ren) to their room) and must present the parent pick up tag or a picture of it to pick up their child from their classroom (for 3-4, 4-6 and 5-7 year old classes). Children in this age group will not be permitted to go to the restroom without a teacher or teacher's assistant or their parent/guardian.
7. All students must check in at the Registration Desk before class EVERY week.
8. Students not adhering to the dress code may be asked not to take class until they are properly attired.
9. Dancers must adhere to the pre-requisites listed on the Registration Form.

CLASS DESCRIPTIONS

BALLET AND PRE-BALLET: Ballet classes are designed to give the dance student a strong technical background. The student will acquire flexibility, muscular strength and physical endurance, as well as a working knowledge of French dance terminology. Students will also develop and redefine their technique, proper alignment, and rhythmic and qualitative understanding. Ballet classes are highly recommended to provide a solid technical base for all dance classes.

COMBINATION CLASSES (Tap/Jazz, Ballet/Jazz, Teen/Adult): These classes give the new dancer movement experiences and fundamental knowledge of the basics of dance, as well as a hands-on overview.

CONTEMPORARY: This class is designed to teach students a contemporary/modern style of dance. There will be a focus on choreography and emotional expression through movement. In addition, students will learn and/or improve their improvisational skills. Contemporary consists of a variety of dance styles such as ballet, jazz, modern, and sometimes even hip hop.

JAZZ: Jazz classes are designed for the student with an interest in learning jazz technique and styles. The student will acquire flexibility, muscular strength and physical endurance. The class will provide the students with a strong sense of discipline of mind and body, as well as a heightened level of physical health.

TAP: Tap classes are designed for the student with an interest in learning tap technique, styles and rhythms. They will explore many styles of tap such as classical tap, clogging, jazz tap and rhythm tap. A refinement of style and artistry will be emphasized.

ZUMBA: Zumba is a latin-inspired, dance fitness class that incorporates Latin and international music and dance movements, creating a dynamic, exciting, exhilarating, and effective fitness program. Zumba combines fast and slow rhythms that tone and sculpt the body using an aerobic/fitness approach to a unique blended balance of cardio and muscle-toning benefits. Previous dance experience is not necessary. **Zumba Gold** recreates the original Zumba moves at a lower intensity level.
